

**A System and Method for Providing
Corporate Governance-Related Services**

Abstract

The invention relates to a system and method for facilitating compliance with at least one corporate governance standard. The system and method include receiving information from a service provider. The system and method also include facilitating compliance with the corporate governance standard(s) for at least one of an accounting service, a legal service, a banking service, a corporate service, an insurance service, a health, medical, and welfare benefit service, and a government regulatory service.
